

## Lagrein Lagralena

### *DOC riserva 2014*

The "Lagralena" DOC riserva 2014 from Plonerhof is the "**black pearl**" among our wines.

The **Lagrein** also belongs to the **autochthonous South Tyrolean grape varieties** and has made a name for itself in the world of wines!

Our Lagralena is made exclusively from Lagrein grapes, which come from the **hill of St. Magdalena**.

In order to harmonize and round off our Lagreins, we also use **small barrique barrels** to give the wine its "final touch"!

---

Ready for the **perfume of full fruits, sweet wood and violet?**

The **dark, deep violet color with garnet nuances** underpins the taste of **dark forest fruits and black elderberry**.

Despite the alcohol content of 13.5-14% vol the Lagralena drinks like silk - **surprisingly elegant!**

We recommend our **Lagrein** especially for game or meat dishes, as well as for ripened cheese! The ideal wine for convivial rounds - **a must for the wine lover!**
